To
DALLAS LORE SHARP
*a lover of the woods, this
book is gratefully dedicated.*

It gives me pleasure to acknowledge the kindness of the Hon. Gifford Pinchot who, because of his friendship both for the American Forest and for the American Boy, has generously placed at my disposal his "Primer of Forestry."

I am also very grateful to Mr. Fred H. Thompson, a member of the staff of the *Boston Post*, who had the good fortune to go down the Connecticut with the "Big 1911 Drive," and who has permitted me to make use of his experience.
