PREFATORY NOTE.

OF these Critical Essays, the three first appeared in *Meliora*, the Social Science Quarterly Review, respectively in April 1859, October 1859, and April 1860. The paper on De Quincey and Coleridge appeared in the *Fortnightly Review* for October 1867, and that on Ebenezer Elliott in the Supplement to the *Manchester Examiner* for the shortest day of the year 1850. Advantage has been taken of the opportunity afforded by republication for the insertion of certain additions and corrections. Perhaps a reader here and there may like to know that the last paper was written before I had gone to Germany, or even knew German.
