I dedicate this Book

THIS book contains four lectures given in the Colonial Theatre, Boston, as a part of the University Course, under the auspices of the Education Committee of the Twentieth Century Club. The lectures were delivered in January, 1905, although scheduled for a year earlier. Parts of the fourth lecture once appeared in *The Independent*.

ITHACA, N. Y.,
MARCH, 1, 1905.

These chapters have now been revised, and the book is re-set; and the size of the volume is reduced, for some of the incidental subjects are treated more fully in the other books now combined with it to make the Rural Outlook Set.

L. H. BAILEY.
