PREFACE.

As an angler who has spent the most of five-and-twenty seasons by the riverside, my aim is to convey to the reader, in simple language, the outcome of actual experience, in the hope that beginners, and also more experienced anglers, may find some information that will enlighten them to attain better results.

My aim is to touch upon every legitimate lure, and to give, in the smallest limits, practical information with advice that will enable the novice to proceed without further instruction, and meet with a share of success in angling.

To those commencing, I can recommend angling as one of the most whole-

some of pastimes—one that will keep those who pursue it in good health and afford them an abiding pleasure that will be as fresh at sixty as sixteen.

It only remains to state that what has been said in these pages as to northern waters applies equally to all streams where trout abound, whether in the south, east, or west of our country.

RYTON-ON-TYNE.
