ADVERTISEMENT TO SECOND EDITION.

It has been thought advisable to classify the hymns in the present edition, in order that the Invalid (or those around him) may be able to turn to such as are best suited to his state of mind.

The hymns added as an Appendix in the first edition, will now be found interspersed with the rest, under their respective heads, with an addition of fifty Hymns never before published.

MARCH, 1841.

ADVERTISEMENT TO THIRD EDITION.
