"THOUGH the doom of swift decay
Shocks the soul where life is strong,
Though for frailer hearts the day
Lingers sad and over-long—
Still the weight will find a leaven,
Still the spoiler's hand is slow,
While the future has its Heaven,
And the past its long-ago."

PREFACE.

THESE Chapters in the History of Digby County and its Settlers are by no means exhaustive, nor are they intended to be so. The facts have been collected by means of interviews with old inhabitants and much diligent research on the part of the writer.

Nothing has been included in these pages without an authority, and in every case a list of such authorities will be discovered at the conclusion of each chapter.

The genealogies are, as far as known, correct.

The aim throughout has been to present much information in a style at once simple and readable.

That a generous public may be lenient in its criticisms is all that the writer asks.
