PREFACE

This book is a supplement to the Physical Training Bibliography prepared by Dr. J. H. McCurdy, which was published by the Physical Directors' Society in 1905. It includes a selected list of titles in English from 1905 to May, 1911. It is the desire of the Society to continue to add to the original Bibliography so as to keep the titles up-to-date. We appreciate the excellent service which Mr. Dwight T. Bridges has performed in bringing together this material and in permitting the Society to put it in permanent form.

Great credit is due Mr. G. B. Affleck for his careful supervision of Mr. Bridges' work and for proofreading the entire book.
