Hope, a Vibration of the Subconscious.....	172
Realization, Hope's Master Creation.....	181

## FOREWORD

---

I shall add nothing here in way of an apology for a new book on lines of practical metaphysics, or in way of suggestions, either as to unfolding powers within the human, or as to methods of bringing them to expression. The purpose of the volume is to help students to self-mastery; and I leave it to these seekers for truth to determine its right to be and endure.

FLOYD B. WILSON

New York, August, 1906
