TWENTY-EIGHTH ANNUAL MEETING

OF THE

**OHIO STATE MEDICAL SOCIETY,**

HELD AT

COLUMBUS, JUNE 10, 11, and 12, 1873.

*Dr. Justin C. E. Victor,*

DAYTON, OHIO,  
UNITED BRETHREN PUBLISHING HOUSE,  
1873.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in the context of public administration and government operations. The text notes that records should be kept in a secure and accessible format, and that regular audits should be conducted to ensure their integrity.

2. The second part of the document outlines the various methods and tools used for data collection and analysis. It highlights the use of surveys, interviews, and focus groups as primary data sources, and discusses the importance of using statistical software and data visualization techniques to interpret the results. The text also mentions the need for data security and privacy protection throughout the process.

3. The third part of the document focuses on the ethical considerations surrounding data collection and analysis. It discusses the importance of obtaining informed consent from participants, ensuring confidentiality, and avoiding bias in the selection and interpretation of data. The text also touches upon the potential for data misuse and the need for clear policies and procedures to address these issues.

4. The fourth part of the document provides a detailed overview of the data analysis process, from data cleaning and preprocessing to the final interpretation of results. It discusses the use of descriptive statistics to summarize the data, and the application of inferential statistics to test hypotheses and draw conclusions. The text also mentions the importance of reporting the results in a clear and concise manner, using appropriate visual aids to enhance understanding.

5. The fifth and final part of the document discusses the implications of the findings and the need for ongoing monitoring and evaluation. It emphasizes that the results of the study should be used to inform decision-making and to guide the development of policies and programs. The text also notes that the data collection and analysis process should be iterative, with feedback loops in place to refine the methods and improve the quality of the results.

**FIRST DAY.**

---

**MORNING SESSION.**

The Society met in the City Council Chamber at 11 o'clock and was called to order by Dr. W. W. Dawson, who introduced the President elect, Dr. A. B. Jones, of Portsmouth.

Rev. Mr. Grover, of the M. E. Church, opened the session with prayer.

Vice-Presidents Drs. A. Blymer, J. B. Hough, and W. J. Anderson, took seats with the President.

Secretary Dr. W. J. Conklin was present.

On motion of Dr. Sinnet, the reading of the minutes of the last annual meeting was dispensed with.

Dr. Gay, chairman of the Executive Committee, made the following report:

Your Committee have secured this Council Chamber for the use of the Society. We suggest that the meetings be held at 9:00 A. M. and 2:00 P. M., daily; that the election of officers be held at 11:00 A. M., and the President's Address be delivered at 2:00 P. M., on Wednesday.

Tickets to a Microscopical and Electroscopical entertainment, directed by Prof. Wormley, will be furnished by the Assistant Secretary, for Tuesday evening at 8 o'clock. There will be an entertainment at the Deaf and Dumb Asylum on Wednesday evening at 8 o'clock.

NORMAN GAY, *Chairman.*

In the absence of the Treasurer, Dr. J. B. Thompson was appointed Treasurer *pro tem.*

The vacancies in the Committee on Admissions were filled by the appointment of Drs. C. P. Landon, T. J. Mullen, E. Jennings, and A. C. Miller.

The Committee on Medical Societies was filled by the appointment of Drs. James Moore, T. McEbright, and E. Sinnet.

On motion of Dr. Thompson, it was resolved that the names of candidates for membership should be read in open society before being submitted to the Committee on Admissions.

#### REPORTS OF COMMITTEES.

The roll of special committees being called, quite a number were announced as ready to report.

Dr. Hough announced a volunteer paper on "The First Phases of Living Forms," at the disposal of the Society.

On motion, the Secretary was instructed to telegraph the Treasurer for his books and report.

Dr. Tom. O. Edwards, Jr., of Lancaster, was now appointed Secretary *pro tem*.

REPORTS OF DELEGATES.

Dr. E. Sinnet, delegate to the Kansas State Society, made the following report:

The second annual meeting of the Kansas State Medical Society was held at Fort Scott. They have a membership of about forty, embracing many of the active, working men of the State. Interesting papers were read, which, together with the discussions upon them, gave creditable evidence that men of ability are engaged in the profession of the West. Dr. H. K. Kennedy, of Topeka, was elected President. The Society adjourned to meet at Lawrence, on the third Wednesday of May, 1874.

E. SINNET.

Dr. Hough, delegate to the National Medical Association, reported:

The last session of the American Medical Association was unusually large and harmonious. Much work was done and marked out that will tend to secure that harmony in the American profession so desirable to us all.

J. B. HOUGH.

The Committee on Admissions reported favorably on the applications for membership of the following named gentlemen, all of whom were unanimously elected:
