PREFACE.

The fourth edition of the Directory of Living Graduates and Former Students of Princeton University has been prepared with as much care as possible. Despite all efforts, however, there still remain a number of names without addresses. Information about such names, notice of errors, omissions or changes, and suggestions will be gladly received by the Secretary of the University and noted in the card catalogue kept in his office.

Thanks are due to many of the Class Secretaries for their cooperation, to the Rev. L. W. Mudge, D.D., '62, for revising the list of University students in the Graduate Department, and to Professor Henry Clay Cameron, Ph.D., D.D., '47, whose advice has been of great service. In addition, postmasters, editors, county clerks, the *Alumni Weekly*, and many graduates have rendered valuable assistance.

The names of all the graduates of the University not known to be dead are given in the Directory. No complete record has been kept of the ex-members of the various classes, and it has been impossible to catalogue them all, those known to be alive have been placed at the foot of the classes to which they belonged while members of the University. Additions to this list will be welcomed.

The first of the two figures following each class represents the total number of graduates of that class, the second figures the number of survivors. The names of the Class Secretaries are in heavy-faced type.
