**THE EDUCATION OF
WOMEN IN CHINA**

The Education of Women in China

By MARGARET E. BURTON

Notable Women of Modern China

Illustrated, 12mo, cloth. Net \$1.25

The author's earlier work on the general subject of Women's Education in China, indicates her ability to treat with peculiar interest and discernment the characters making up this volume of striking biographies. If these women are types to be followed by a great company of like aspirations the future of a nation is assured.

"Thrilling is a strong word, but not too strong to be used in connection with *The Education of Women in China*. To many it will prove a revealing book and doubtless to all, even those well-informed upon the present condition of women. Miss Burton's book will interest all the reading public."—CHRISTIAN ADVOCATE.
