POEMS AND IDYLLS.

BY THE SAME AUTHOR.

Square Fcap. 8vo, cloth, 3s. 6d.

**THE LIFE AFTER DEATH,
And the Things to Come.**

"The volume is sober and serious, as well befits its important theme; in doctrine it is sound, in argument convincing, and in appeal powerful."—*Christian Observer*.

"The subject is treated in a devout and affectionate spirit for practical edification, and at the same time he deals argumentatively with some of the great problems of the future world. This book will be useful in suggesting answers to some familiar cavils, and still more in its earnest and animated tone of meditation on the life to come."—*Guardian*.

"On the subject of the resurrection of the body we find an advance on the views which some years ago were alone considered orthodox,—an advance which we have also observed elsewhere, and which is, no doubt, attributable to a more general penetration of scientific ideas. Mr. Cullen teaches that it is not the body buried, particle for particle, which is preserved and is to be raised, but only what he calls the *germ* of that body. The argument for 'the eternal misery' of the wicked is given with some power, and the authorities quoted on behalf of it are Ruskin, Coleridge, and Butler."—*Spectator*.

Square 32mo, paper cover, 4d.; cloth, 8d.

CONFIRMATION:

Its Nature and Obligations.

"The solemn meaning and responsibilities of the rite of confirmation are most impressively, yet affectionately, set forth. The little book will doubtless find complete acceptance from clergymen engaged in preparing candidates for confirmation."—*Nottingham Guardian*.
