PREFACE.

BUT for the wide circulation of his "*Guide to the Perplexed*," and of his "*Guide to the Devotional*," the Author would not feel himself warranted to address the THOUGHTFUL. Even in doing so, he has not presumed to think *for* them. He is a guide only "to the borders of Immanuel's land;" and only to that class of the thoughtful who, like himself, meditate for devotional and holy purposes. His aim has been to place the great truths and duties of religion in the light of eternity; and to prove, that it is both easy and pleasant to cultivate such a habit of realizing the eternal world, as shall help Christians to keep this world in its proper place.
