Foreword

The Holy Spirit, Jesus' gift to His church, is changeless; and God's purposes are never disappointed or defeated. Kathryn Kuhlman's earthly ministry ceased with her death in 1976; but countless lives are still being touched for God through her books and the many radio tapes that she prepared in her lifetime.

Again and again she acknowledged her nothingness and that every miracle that took place in her meetings—from the healing of physical bodies to those who found Christ as Savior—was a direct result of the power of God.

For many years her inspired and down-to-earth heart-to-heart talks over nearly one hundred radio stations proved to be a rich fountain-head of nourishing spiritual food relating to everyday living. The might and life-changing power of these messages has not diminished with the passing of time.

After carefully reviewing her taped subject matter, this series titled "Victory in Jesus," was chosen for print. In addition, we have included an earlier publication, "The Lord's Healing Touch."

It is our intent to bring to you, the

reader, the impact of Kathryn Kuhlman's anointed words. Thus we pray that the following chapters shall be a source of blessing, Holy Ghost inspiration and a challenge to encourage you to a new and higher level of the victorious Christian life.
