Entered, according to Act of Congress, in the year 1902, by

WILLIAM CULLEN BRYANT,

In the Clerk's Office of the District Court of the United States for the Southern
District of New York.

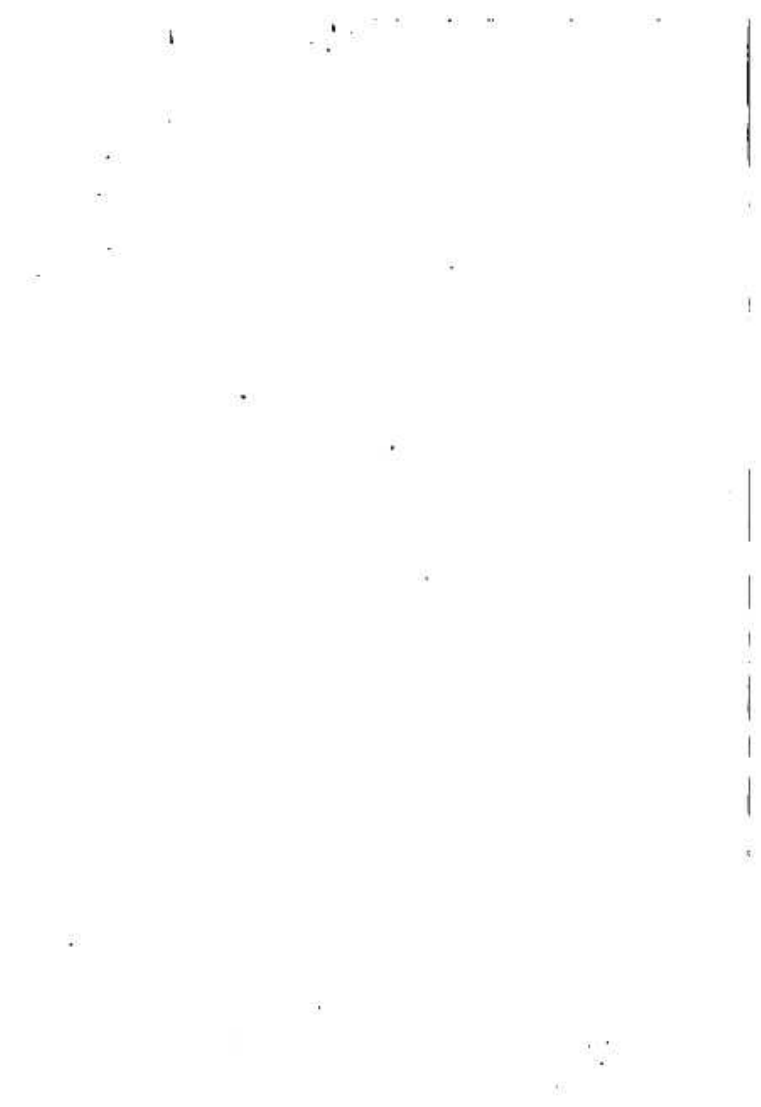

NOV 21 1902

TO THE READER.

THESE Letters, sent home to the United States during recent journeys in several countries of the European continent, are laid before the public just as they were written on the spot, without additions, and with no material corrections. Of their imperfections none can be more sensible than the author; their merit, if they have any, consists in their being a record of observations committed to paper while the impression they made was yet clear and distinct.
