THE COLE LECTURES

THE late Colonel E. W. Cole of Nashville, Tennessee, donated to Vanderbilt University the sum of five thousand dollars, afterwards increased by his widow to ten thousand; the design and conditions of which gift are stated as follows:

"The object of this fund is to establish a foundation for a perpetual Lectureship in connection with the Biblical Department of the University, to be restricted in its scope to a defense and advocacy of the Christian religion. The lectures shall be delivered at such intervals, from time to time, as shall be deemed best by the Board of Trust; and the particular theme and lecturer shall be determined by nomination of the Theological Faculty and confirmation of the College of Bishops of the Methodist Episcopal Church, South. Said lecture shall always be reduced to writing in full, and the manuscript of the same shall be the property of the University, to be published or disposed of by the Board of Trust at its discretion, the net proceeds arising therefrom to be added to the foundation fund, or otherwise used for the benefit of the Biblical Department."

*Hae tibi Sacrosanctae mentis
illius vivam referunt imaginem, ipsumque
Christum loquentem, sanantem, resurgentem,
denique totum ita presentem reddunt, ut minus
visurus sis si coram oculis conspicias.*
