## PREFACE.

THIS edition is designed chiefly for those students who have already some knowledge of Greek, but are not advanced enough to grapple with the difficulties of Thucydides. The historical value and interest of the *Hellenica* are very great, and the Greek is sufficiently difficult and instructive even for a high Form.

The *apparatus criticus* in Otto Keller's larger edition has been found very useful for the revision of the text; but I have adopted very few of the changes which he has introduced on the suggestion of Cobet, Nauck, Hartman, and others. I am also indebted to the editions of Breitenbach, Büchsenschütz, Manatt, and Underhill; to the histories of Grote, Mure, Curtius, and Holm; also to Mr Dakyns's Introduction and Translation, to Mr L. Whibley's *Political Parties in Athens*, to Prof. Goodhart's

*Eighth Book of Thucydides*, and to the editions of Aristotle's *Ἀθηναίων πολιτεία* by Mr Kenyon and Dr Sandys.

Before beginning the Greek text the student should read pages xxviii—xlii of the Introduction. At least a slight acquaintance with the period of history there sketched is indispensable for the intelligent study of our subject.

G. M. E.

CAMBRIDGE, *November 11, 1898.*

## CONTENTS.

INTRODUCTION :	PAGE
I. Short Life of Xenophon . . . . .	ix
II. The <i>Hellenica</i> . . . . .	xviii
