## The Pearl of Days.

---

"The Sundays of man's life,  
Threaded together on Time's string,  
Make bracelets to adorn the wife  
Of the eternal glorious King.  
On Sundays heaven's door stands open,  
Blessings are plentiful and rife,  
More plentiful than hope."

GEORGE HERBERT.

**MADAM—**

Humble as is this tribute of loyalty, it is not without significance. No sovereign ever presented stronger claims to the love and allegiance of her industrious subjects; and it tells how happy is our Constitution, and how condescending is our Monarch, that pages written by a labourer's daughter should find a Patron in the Queen.
