## PREFACE.

---

AT the time of the death of Mr. Henry Hall, in 1889, the manuscript for this volume consisted of finished fragments and many notes. It was left in the hands of his daughters to complete. The purpose of the author was to make a fuller life of Allen than has been written, and singling him from that cluster of sturdy patriots in the New Hampshire Grants, to make plain the vivid personality of a Vermont hero to the younger generations. Mr. Hall's well-known habit of accuracy and painstaking investigation must be the guaranty that this "Life" is worthy of a place among the volumes of the history of our nation.

HENRIETTA HALL BOARDMAN.
