## NOTE

TEN of the following pieces have appeared in the columns of the *Spectator*, from which they are reprinted by the kind permission of the editor. The remainder are now published for the first time. The rendering of *Eheu fugaces* (Od. II. 14) is from the pen of Mr. M. H. Temple, and that of *Est mihi nonum* (Od. IV. 11) by Mr. E. V. Lucas. For permission to include their unpublished versions in my collection, as well as for many emendations and helpful suggestions, I desire most cordially and gratefully to acknowledge my indebtedness to these two friends.
