FOREWORD

This little book does not pretend to be a scientific treatise on the game of tennis. It presents my ideas of the game particularly as it should be played by women. Many excellent players will undoubtedly agree with me and many other equally excellent players will undoubtedly disagree with me. I do not conceitedly claim that I am always right nor will I concede for a moment that I am always wrong. I merely sketch the game as I know it.

MOLLA BJURSTEDT.
