## PREFACE.

---

THIS BOOK contains, it is believed, all (or nearly all) the recorded words of our Lord, arranged according to their subject-matter.

Such a work may be useful in improving our knowledge of Christ's teaching. It may also be found to have other uses.

The texts under each head are arranged in order of time, according to the more generally received harmonies.

C. M. S.

REMHAM,  
1877.
