PREFACE.

A sixth volume of Somerset Marriage Registers is now completed, making the total number of parishes dealt with to be forty-nine. **1379239**

As before, contractions have been made use of—

- | | |
|----------------------------|--------------------------|
| w.—widower or widow. | dioc.—in the diocese of. |
| b.—bachelor | co.—in the county of. |
| s.—spinster, single woman, | lic.—marriage licence. |
| d.—daughter. | y.—yeoman. |
| p.—of the parish of. | c.—carpenter. |

The reader must remember that the printed volumes are not "evidence" in the legal sense. Certificates must be obtained from the local clergy in charge of the Registers.

The Editors have to acknowledge the ready willingness of the Clergy in affording facilities for making the needful transcripts for the printers. Their names are given under the respective parishes. They will gladly welcome the assistance of others who may be willing to aid in transcribing Registers, for it is only by volunteer work that it is possible to print our Parish Registers.

They would gladly issue two volumes in each year, and this they can do if those who have the opportunity will supply them with the needful transcriptions of the Registers.
