#### PROLOGUE.

I.

O the old wall here! How I could pass

Life in a long Midsummer day,

My feet confined to a plot of grass,

My eyes from a wall not once away!

2.

And lush and lithe do the creepers clothe
You wall I watch, with a wealth of green:
Its bald red bricks draped, nothing loath,
In lappets of tangle they laugh between.

3.

Now, what is it makes pulsate the robe?

Why tremble the sprays? What life o'erbrims

The body, — the house, no eye can probe, —

Divined as, beneath a robe, the limbs?

4.

And there again! But my heart may guess

Who tripped behind; and she sang perhaps:

So, the old wall throbbed, and its life's excess

Died out and away in the leafy wraps!

5-

Wall upon wall are between us: life

And song should away from heart to heart!

I — prison-bird, with a ruddy strife

At breast, and a lip whence storm-notes start —

6.

Hold on, hope hard in the subtle thing

That's spirit: though cloistered fast, soar free;

Account as wood, brick, stone, this ring

Of the rueful neighbors, and — forth to thee!

# OF PACCHIAROTTO, AND HOW HE WORKED IN DISTEMPER.

I.

QUERY: was ever a quainter

Crotchet than this of the painter

Giacomo Pacchiarotto

Who took "Reform" for his motto?

2

He, pupil of old Fungaio,

Is always confounded (heigho!)

With Pacchia, contemporaneous

No question, but how extraneous

In the grace of soul, the power

Of hand, — undoubted dower

Of Pacchia who decked (as we know,

My Kirkup!) San Bernardino,

Turning the small dark Oratory
To Siena's Art-laboratory,
As he made its straightness roomy
And glorified its gloomy,
With Bazzi and Beccafumi,
(Another heigho for Bazzi:
How people miscall him Razzi!)

3.

This Painter was of opinion

Our earth should be his dominion

Whose Art could correct to pattern

What Nature had slurred — the slattern!

And since, beneath the heavens,

Things lay now at sixes and sevens,

Or, as he said, sopra-sotto —

Thought the painter Pacchiarotto

Things wanted reforming, therefore,

"Wanted it" — ay, but wherefore?

When earth held one so ready

As he to step forth, stand steady
