JOHN WALKER

**MISCELLANEOU
S POEMS**

MISCELLANEOUS
POEMS.

BY JOHN WALKER,
MATTERSEA HALL, BAWTRY.

Doncaster :
PRINTED BY EDWARD DALE, HIGH-STREET.
1879.

TO THE GOOD AND TRUE
OF
ALL NATIONS, OF ALL CREEDS, OF ALL KINDS,
AND
ALL CONDITIONS,
THIS BOOK IS DEDICATED
BY THE AUTHOR.
1879.

To the Reader.

In looking here, if thou shouldst find
What shall divert or please thy mind,
My task's fulfilled; if aught offend
Against thy judgment, gentle friend,
Cast not thereon a critic's eye,
But take the good, the bad pass by.

REMEMBER,

"That by the faults of others wise men correct
their own."

Figure 1. Relationship between the number of children and the number of children in care. The figure shows four scatter plots arranged in a 2x2 grid. Each plot has 'Number of children' on the x-axis and 'Number of children in care' on the y-axis. The top-left plot shows a positive correlation with a regression line. The top-right plot shows a positive correlation with a regression line and a shaded confidence interval. The bottom-left plot shows a positive correlation with a regression line. The bottom-right plot shows a positive correlation with a regression line and a shaded confidence interval.

Contents.
