PREFACE.

THIS account of Goethe's life and writings is reprinted, with alterations and additions, from an article contributed to the last edition of the "Encyclopædia Britannica." It is possible that the discoveries of the last ten years may not have been completely represented in this revision ; but it is difficult to alter much in what has been carefully conceived and planned without injuriously affecting the harmony and balance of the whole, and the desirability of preserving this has been constantly before the writer's mind.

Wormer 7 April 1933
