TO
K. J. M.
IN MEMORY OF THE NINETIES

OF these little essays, one appeared originally in *The Star*, eight in *The Outlook*, and the remainder in *The Sphere*. They were written during two periods; some within the last year, others as long ago as 1910-1912; but they are not printed here in chronological order, and the reader must guess for himself (if that sort of thing amuses him) which are the earlier articles and which the later. Not, of course, that it matters.
