A new and most important series of works specially designed for Sunday Schools and Bible Classes, consisting of expositions of the International Sunday School Lessons. In the present series they are grouped and arranged under the Books of Scripture to which they relate, and form a very fairly complete commentary on the particular portion of Scripture. There are various admirable series of Bible Class Handbooks; but, as a rule, they are devoted more to giving information than to the enforcement of moral and spiritual lessons. Dr. Maclaren is confessedly supreme in this particular line. He is not only a thorough Biblical scholar, but he is an expositor who presses living truths home to heart and conscience. It is believed that the books will be found most useful to teachers and superintendents who have to deliver addresses to children, for pupils in Bible classes, and for private reading.

"Dr. Maclaren's 'Bible Class Expositions' are marked by the characteristic clearness and force of their author's best work. . . . The work of an expositor who possesses in a marked degree spiritual insight and powers of skilled expression."—*Record*.

"In our view, this must be reckoned amongst the richest, ripest fruitage of Dr. Maclaren's intellect and heart, as well as a model of Bible-class exposition."—*Westminster Methodist Magazine*.
