### PREFACE.

This humble effort has been made by an experienced Civil Servant, who is deeply impressed with the importance of the changes initiated by the Report of the Civil Service Commissioners, and who offers as his apology for appearing before the public, that he has had opportunities of making himself acquainted with what is in progress, which may enable him to smoothe some difficulties, and thus to secure both for the public and its servants a more full participation of the advantages intended.

 Isabel Place, Cambrewhit New Road, Kenkington, Subret, 6th May, 1856.

### CONTENTS.
