PREFATORY NOTE

THE chapters on "Before Birth," "After Death," "Animal Immortality," "The Sanction of Morality," and "The Possibilities of Prayer," appeared originally in *The Nineteenth Century*, but have been largely altered, in some cases almost rewritten, for the purposes of republication. The chapter on "Evil" has appeared in *The Monthly Review*. I am greatly indebted to the respective editors of these periodicals for their courteous permission to republish them here.

Some quotations from (1) *The Origin of Life*, by Mr. Butler Burke; (2) *The Divine Immanence*, by Mr. Illingworth; (3) Martineau's *Study of Religion* and Green's *Prolegomena to Ethics*; (4) *The Dilemma of Determinism*, by Professor James; (5) *Multiple Personality*, by Drs. Sidis and Goodhart, are made by the kind permission respectively of (1) Messrs. Chapman & Hall Limited; (2) Messrs. Macmillan & Co. Limited; (3) The Clarendon Press; (4) Messrs. Longmans, Green, & Co.; and (5) Messrs. D. Appleton & Co. of New York.

NORMAN PEARSON.
