Now is the time to stop and think

Now is the time to stop and think, about getting your winter's wood, I have a good supply of Slabs, Edgings and Buttings; my prices are as low as the lowest. Don't drive a dirty horse when you can always get good dry sawdust at Holmes Mills. Remember I buy logs and stave wood standing or delivered at mill, or will buy your wood lot. No lot too big or too small. If you are going to do any logging next winter come early before the rush. I am making improvements all the time and can give you better service than ever the coming winter.
