— The Famous Oz Books —

Since 1900, when L. Frank Baum introduced to the children of America THE WONDERFUL WIZARD OF OZ and all the other exciting characters who inhabit the land of Oz, these delightful fairy stories have stimulated the imaginations of millions of young readers.

These are stories of genuine fantasy—creative, funny, tender, exciting, and surprising. Filled with the rarest and most absurd creatures, each of the volumes in the series has been eagerly sought out by generation after generation until today they are known to all except the very young or those who were never young at all.

When, in a recent survey, *The New York Times* polled a group of teen-agers on the books they liked best when they were young, the Oz books topped the list.
