**TO THE BOYS
WHO NEVER CAME BACK**

This little record of work — which was privilege; of sacrifice — which was unself-conscious; of Courage — which was a commonplace; and, most of all, of Beauty, which was just gallant endurance of more than one dull job; — this record of what one Y. M. C. A. Worker did in France, is especially moving to me, because I was with her part of the time, and watched the ideal of Service unfold and blossom in her character. I am glad that her letters, telling so simply of the gay splendor of those dark days in France, have been gathered together in this little book.

MARGARET DELAND.
