PREFATORY NOTE

SINCE its acceptance as a doctor's thesis in June, 1903, this essay has been carefully revised with some additions, and references have been freely made to literature which has appeared during the past twelve months. For helps received in its preparation and in other ways, the thanks of the writer are due to Professors J. McK. Cattell and C. A. Strong, and to Drs. A. L. Jones and W. H. Sheldon.
