SESSION 1897-98.

EDINBURGH: OLIVER AND BOYD
PUBLISHERS TO THE SOCIETY
1898.

PREFACE.

THIS, the twenty-third volume of the Society's Transactions, contains a record of its proceedings during the Session 1897-98.

In it, as in former volumes, the views brought forward in the Papers are to be considered as those of the writers themselves, and not as those of the Society as a body.

No meeting of the Society was held in July owing to the presence in the city of the British Medical Association during that month.
