Torrey Botanical Club,

NOVEMBER 30th, 1896.

To Members of the Club and Subscribers to the BULLETIN :

The demand for back numbers of the BULLETIN, to complete sets, has been so great that the editions of some 10 issues have been exhausted, and the editors are unable to supply entire files. It has been planned for several years to reprint enough to fill these gaps, but the pressure of new matter to print has caused us to publish nearly up to the limits of the annual income; as the number of good papers offered for publication shows no sign of decreasing, by the authority of the Club, given on October 13th, 1896, we make you the following offer:

We will furnish, by express, a complete set of the MEMOIRS, five volumes, of which a considerable number remain undistributed, published at \$15.00, for half price, or \$7.50, this offer to hold good only until January 1st, 1897.

It is proposed to apply the money derived from these sales to reprinting the numbers of the BULLETIN which are out of print, and we hope that this procedure may effect the desirable result of locating a number of complete sets of both periodicals.

To those who have incomplete sets of the MEMOIRS we offer to supply their desiderata at the same rate, excepting Vol. 1, No. 1, and Vol. 2, No. 3, which can only be furnished with complete volumes.
