*TONY AND PUSS.*

I.

Little Tony does not look happy. He has had a quarrel with Puss, and Puss has gone off and left him all alone with Punch. Tony wants some one to comfort him, and Punch does not say a word. He's a stupid Punch; but Tony has made up his mind what he will do.

TONY AND PUSS.

II.

He will go and tell his Papa all about the quarrel with Puss. It is proper to tell Papa everything; and Papa will try to make him happy again, he is not so unkind as Punch. But what is Tony's Papa doing? Tony has pushed the door open, and called out, 'Papa, here's Tony;' but Papa does not even turn round.
