AUTHOR'S PREFACE.

THE subject of the following pages formed the substance of two lectures which I delivered, in last March, at Reigate, in aid of the Church which I have just completed for the benefit of "Londoners over the Border," among whom I have laboured for nearly five years.

In publishing this volume, I yield more to the wishes of kind friends than to personal inclination; for, although the symbolism of the Tabernacle has long occupied me, I have neither leisure nor strength at present for careful writing.

The illustrations which accompany this book need as much indulgence as the text.

The designs for them were made by a much

valued friend, from descriptions and rough sketches of mine, but were cut in wood . before I had an opportunity of examining them.

If this volume should arrive at a second edition, the following corrections will have to be made:—

1.

The sketch of the general view of the Tabernacle will have to exhibit the tents of the Levites between the hangings of the Court and the Camp of Israel.

2.

The Court of the Tabernacle will have to present a more correct view of the length of the Sanctuary ; and the Cherubim which now erroneously appear on the Vail of the Holy Place must be omitted, and replaced by foliage.

3.

The dress of the High Priest, when in the Most Holy of the Tabernacle and
