REDBEMER, IN THE EARNEST HOPE THAT
THIS LITTLE BOOK MAY, THROUGH THE

THIS charming collection of very helpful essays has already become a warm favourite with the Catholics of Australia, where the earlier editions were published.

There is every reason why it should be equally welcome to all Englishspeaking Catholics, as it treats of many subjects affecting our everyday lives.

Editions in this new form have, therefore, been prepared for sale in Australia, the British Empire, and in the United States.
