Key to the Science of Theology.

Fly—fly—these thoughts on the lightning car,
With the speed of light to the realms afar!
Mount—mount the car with the horse of fire;
Outstrip the wind, he will never tire;
Let the wild bird scream as he jags behind,
And the hurricane a champion find.
Search the darkest spot where mortals dwell:
With a voice of thunder the tidings tell;
Proclaim the dawn of a brighter day,
When the *King of kings* shall His scepter sway.
Bid pain, and anguish, and sorrow cease,
And open the way for the *Prince of peace*.
He will conquer death, bid mourning flee,
And give to the nations a *Jubilee*.

O, Truth divine! what treasures unrevealed,
In thine exhaustless fountains are concealed!
Words multiplied, how powerless to tell,
The infinitude with which our bosoms swell.
