TO THE READER.

---

*I have tried to give you samples of a great county, rich in many things; and of a people, brave, courteous, and hospitable.*

*Mine are samples only; the stock is large and varied, and, as everyone knows, "in the piece" the goods are better than in the sample. When you close the book I hope to hear you say: "This is Devon, the Land of Junket and Cream, the very place for a holiday!"*
