ARTICLE I.

1678. (3539 (943) *Appropriations for public schools.*—For the maintenance of a system of public schools of the State the following sums of money are hereby appropriated for every scholastic year, to-wit:

1. The annual interest at six per cent on all sums of money which have heretofore been or which may hereafter be received by the State, as the proceeds of sales of lands granted or entrusted by the United States to the State, or to the several townships thereof, valueless sixteenth section fund, and school indemnity fund for school purposes.

2. The annual interest at four per cent on that part of the surplus revenue of the United States deposited with the State under the act of Congress approved June 23, 1836.

3. All annual rents, incomes, and profits or interest arising from the proceeds of sales of all such lands as may hereafter be given by the United States, or by this State, or by individuals, for the support of the public schools of the State.

4. All such sums as may accrue to the State as escheats the same to be applied to the support of the public schools during the scholastic year next ensuing the receipt in the State treasury.

5. The net amount of poll tax that may be collected in the State; poll tax collected in every county to be re-

tained therein for the support of the public schools thereof and distributed and disbursed as provided in this chapter.

6. Licenses which are by law required to be paid into the school fund of any county to be promptly paid by the judge of probate or other person collecting the same to the county superintendent of education and to be expended for the benefit of the public schools of each county.

7. A further sum of five hundred thousand dollars (\$500,000.00) annually for every scholastic year; provided, however, that there is hereby appropriated the additional sum of one hundred thousand dollars (\$100,000.00) annually if in the judgment of the governor of Alabama the financial condition of the State treasury will permit of such additional appropriation.

That the provisions of this act shall become effective October 1st, 1911. Provided, that the annual excess of the appropriation herein made over the appropriation carried by existing laws, viz: The sum of two hundred and fifty thousand dollars (\$250,000.00) per annum, shall be paid only on the approval of the governor, who, as the state of the treasury in his opinion may warrant, may approve the same in whole or in part from time to time; provided, that if the governor shall fail to approve in any year the full amount of the appropriation made for that year he may, if the condition of the treasury warrant, approve in any subsequent year or years the difference between the amount appropriated and that paid.

Note—In addition to the sources of school revenue above enumerated, there is annually levied, by Constitutional requirements, for the maintenance of the public schools, a tax of thirty cents on each one hundred dollars assessed valuation of taxable property.

Mobile and Baldwin Counties levy a three-mill local tax. Escambia County a two-mill local tax, Jefferson

County a one and one-half mill local tax, and forty-one other counties levy a one-mill tax.

1679. (3540) (944) *When appropriations accrue, placed to credit of educational fund.*—All such appropriations, except the poll tax, shall accrue to the educational fund on the first day of October, in each year; and on that day the State auditor shall place to the credit of that fund, on the books in his office, all such amounts as accrue thereto from the sources in this article mentioned, except the poll tax, for the scholastic year beginning on that day.
