THOMAS LOVE PEACOCK

A CRITICAL STUDY

BY

A. MARTIN FREEMAN

"Mr. Freeman's study will be eagerly welcomed. He deals with all Peacock's known writings, giving analysis of each; and he writes with a freshness, a searching clearness and thoroughness delightful in these days of so much slovenly, slipshod criticism. He sends one to Peacock, and thereby does the best service a critic of Peacock can do."

EVENING STANDARD.

"It is distinguished and critical, and captures the atmosphere of Peacock."

OBSERVER.

"We recommend it to Peacockians, and also to those who would become such; it reveals him better than any anthology could. . . . The book contains biography and criticism in a manner quite sufficient to equip the casual reader with a knowledge of the man and his books."

WORLD.

"Mr. Freeman's monograph recounts all that is known about the circumstances of Peacock's career, and it contains also a good deal of acute criticism of his writings. It gives us many clues to interpretation, and helps us to understand the whimsical characteristics of a man who had a magic pen, and who was nothing if not original."

STANDARD.

HENRIK IBSEN

A CRITICAL STUDY

BY

R. ELLIS ROBERTS

"The contribution which makes this book a notable addition to critical literature, is its sense for what was fundamental in Ibsen. The master thoughts of the man, his permanent habit of mind, emerge from this book with a limpidity and definition which we have found in no other critic, however sympathetic." THE NATION.

"It is a capital and thoughtful piece of criticism, one which will be found acceptable by readers who see an inexhaustible theme of interest in the great Norwegian poet and his work." DAILY TELEGRAPH.

"The work of a thoughtful and suggestive critic." TIMES.

"It is good to have a study of Ibsen from so fine a jousting among critics as Mr. Ellis Roberts." DAILY NEWS.

"He brings to the task of interpreting Ibsen just that happy blend of fresh insight and mundane experience which is needed for the right apprehension of this lonely prophet." MANCHESTER GUARDIAN.
