By ALMARIC RUMSEY,

BARRISTER AT LAW.

Member of the Royal Asiatic Society.

NOTICES OF THE PRESS.

"A valuable *vade mecum* on the very difficult subject of Mohammedan inheritance . . . An admirable key to the system . . . should be in every law library."—*Athenaeum*.

"Makes the whole matter of inheritance in the Sooni sect intelligible, and clears away all the difficulties . . . The book, though small, is a learned, clear and intelligible essay."—*Indian Jurist*.

"We have said enough, we think, to induce all legal practitioners in this country to avail themselves of the assistance Mr. RUMSEY has afforded them in unravelling knots in Mahommedan inheritance cases."—*Delhi Gazette*.

"We commend the book to those of our readers whose attention is in any way directed towards the Mochummudan law of inheritance as one which cannot fail to be useful."—*Solicitors' Journal*.

"We assume our author's law to be right . . . and, assuming this, the book before us may be of practical use to those who are concerned in Indian appeal cases."—*Law Journal*.

"It is a lucid exposition of the law of inheritance of the Soonee sect of Mahomedans, and proposes a simple application of modern arithmetic by which the present complicated mode of estimating the shares of inheritors may be simplified . . . Will doubtless be very acceptable in the quarter intended."—*Westminster Review*.

A CHART
OF
HINDU FAMILY INHERITANCE.

With an Explanatory Treatise.

By ALMARIC RUMSEY,

BARRISTER AT LAW.

Member of the Royal Asiatic Society.

NOTICES OF THE PRESS.

"The whole system is clearly and concisely explained in Mr. RUMSEY'S thin volume, which will be found very useful to all who have to deal with Indian law . . . Mr. RUMSEY has corrected two errors which appear in Macnaghten's 'Principles of Hindu Law,' p. 32, Wilson's Edition . . . Mr. RUMSEY'S Chart is a decided improvement on that of Wynch."—*Athenaeum*.

"Has evidently been prepared with great care . . . We are confident the book will be found a very useful one, and to the practitioners before the Judicial Committee of the Privy Council, who have now to find out from a great mass of literature whether A.B. or C.D. ought to succeed E.F., it will be of great assistance . . . Mr. RUMSEY deserves the thanks of the profession."—*Solicitors' Journal*.

"The treatise is remarkable for extraordinary brevity."—*Law Journal*.

"These Charts are very useful, and place the somewhat intricate subject clearly before the reader . . . A useful addition to our works of reference on Hindoo law, setting forth of course no new matter, but arranging in a clear and precise manner, old."—*Delhi Gazette*.
