PREFACE.

The Gazetteer of Ajmer-Merwāra compiled by Mr. J. D. (now Sir James Digges) LaTouche in 1875, is the basis of the present work. The arrangement has been altered in accordance with Government's general scheme for the new District Gazetteers, and it has been brought up to date, but except where recent investigations have thrown new light on any subject, the matter, and in many cases even the wording of the original have been retained. I am indebted to Mr. R. C. Bramley for the use of material collected for his article on Ajmer-Merwāra in the Imperial Gazetteer at present under issue, to Colonel Melvill for helpful criticism and advice, and to many members of the District Staff for useful notes on various subjects. My clerk Munshi Kanahaya Lal has given much assistance throughout.
