DEDICATION

Sweep on, vast Tide of Commerce—night and day—
Afar on steel-shod track or ocean trail,
Bearing the burdens for the world's advance,
Linking the varied lands by sea and rail.
Without thy aid what would our work avail?
Civilization owes its spread to thee;
So serve the world, till man's long fight is won,
When all our work on earth at last is done.

1911
