- (22) *The Tuberculosis Death Rate in 1917, 1918*.
- (23) *The Typhoid Fever Death Rate in 1917, 1918*.
- (24) *Army Anthropometry and Medical Rejection Statistics*, 1918.

By Frederick S. Crum:

- (1a) *A Statistical Study of Measles*, 1913.
- (2a) *A Statistical Study of Whooping Cough*, 1914.
- (3a) *Medical Inspection of Schools—a Factor in Disease-Control*, 1915.
- (4a) *Anthropometric Table; Children Aged Six to Forty-eight Months*, 1916.
- (5a) *The Mortality from Diseases of the Lungs in American Industry*, 1916.

CHARTS (3¼ x 8¼ inches)

- I Mortality from Cancer* (21 charts).
- II Mortality from Tuberculosis* (21 charts).
- III Mortality from Measles* (6 charts).
- IV Mortality from Whooping Cough* (4 charts).
- V Mortality from Accidents* (24 charts).
- VI Mortality from Typhoid Fever* (1 chart).
- VII Mortality from Infantile Paralysis* (1 chart).
- VIII Mortality from Diphtheria* (5 charts).
- IX Mortality from Malaria* (15 charts).
- X Mortality of United States and Germany* (3 charts).
- XI Army Anthropometry* (4 charts).

## CONTENTS

### PART I

#### GENERAL ARMY ANTHROPOMETRY

Urgency of better standards of physical examinations.....	11
The examination of recruits by officers of the line.....	13
The sphere and function of physical anthropology.....	14
Recommendations of the Committee on Anthropology of the National Research Council.....	15
The need for a national anthropometric survey.....	16
Rules for the preliminary physical examination.....	17
Inadequacy of examinations by officers of the line.....	18
Obscure evidences of physical maturity.....	19
Stigmata of degeneracy.....	20
Limitation of army rejection experience.....	21
Recruiting experience under voluntary enlistments.....	22
Inconclusive statistics of physical deterioration.....	23
Conflict of medical and non-medical considerations in recruiting.....	24
A decade of United States recruiting statistics.....	26
Important changes in recruiting standards.....	27
Changes recommended by the Committee on Anthropology of the National Research Council.....	28
> Race in relation to normal stature.....	29
Statistical and mathematical considerations of frequency distribution in physical proportions.....	31
Standard methods of anthropometric measurements.....	33
Stature of accepted United States recruits under the voluntary system of enlistment.....	35
> Race in relation to frequency distribution of stature.....	38
> Race in relation to weight.....	39
> Race in relation to chest measurements.....	41
Standard of physical proportions adopted May 18, 1917.....	46
> Analysis of foreign recruiting statistics.....	46
Index of vital resistance.....	47
Limited value of recruiting data.....	48
> Race in relation to physical proportions.....	49
Recruiting statistics of Prussia.....	50
Stature of German conscripts.....	51
Inconclusive army rejection data.....	52
Rejection data of the German army.....	53
Geographical variations in the causes of rejections.....	55

CONTENTS—Continued

Recruiting statistics of Austro-Hungary .....	55
Recruiting statistics of France .....	57
Variations of stature of European armies.....	58
Recruiting statistics of Italy .....	59
Medical causes of rejection in the Italian Army.....	60
Recruiting statistics of Switzerland .....	61
Recruiting statistics of Scandinavian countries .....	62
Recruiting statistics of Belgium .....	63
Recruiting statistics of Holland .....	63
Recruiting statistics of Russia and Finland .....	64
Recruiting statistics of Great Britain .....	64
Recruiting statistics of Japan .....	65
Recruiting statistics of the United States .....	66
Comparative causes of rejection for military service.....	67
Causes of rejection in the German army .....	68
Causes of rejection in the Austro-Hungarian army.....	69
Causes of rejection in the French army .....	70
Causes of rejection in the Swiss army .....	71
Causes of rejection in the Italian army .....	72
Causes of rejection in the Belgian army .....	72
Causes of rejection in the Dutch army .....	73
Causes of rejection in the Swedish army .....	73
Causes of rejection in the Norwegian army .....	75
Causes of rejection in the British army .....	75
Causes of rejection in the United States army.....	76
Causes of rejection—white recruits only .....	77
Causes of rejection—colored recruits only .....	78
Causes of rejection—native and foreign-born recruits .....	78
Causes of rejection—Filipino and Porto Rican recruits .....	79

PART II

RECENT UNITED STATES ARMY MEDICAL AND REJECTION  
EXPERIENCE DATA

Discretionary powers in physical examinations.....	82
Negative evidence of physical deterioration.....	83
Important changes in rules and regulations.....	84
Examinations by officers of the line.....	85
Examinations by civil medical officers of local boards.....	86
Army rejection experience in Greater New York.....	88
Effects of discretionary powers on the rejection rate.....	89
Misleading conclusions regarding physical rejections under the first selective draft .....	90

CONTENTS—Continued

Misleading use of army rejection experience under the voluntary system .....	91
Comparative rejection statistics of life insurance experience.....	92
Important changes in the rejection rules under the selective draft..	93
The possible saving in man-power and gain in military efficiency under the new regulations.....	95
Results of the army rejection experience in the United Kingdom....	97
Urgency of a national anthropometric survey and new physical standards .....	98
New standards of physical examination.....	99
The age period of military service in time of war.....	102

APPENDIX A

Examination blank tentatively recommended by the Committee on Anthropology of the National Research Council.....	104
--	-----

APPENDIX B

Anthropological survey recommended by The Royal Anthropological Institute .....	105
---	-----

APPENDIX C

Graduated numbers of the male population of the Continental United States, ages 18-49, by single years of life and conjugal condition, estimated for the year 1918.....	112
---	-----

APPENDIX D

Two letters on unnecessary rejections on account of deficiency in stature ( <i>New York Sun</i> ).....	113
--	-----

CHARTS

Comparative stature of conscripts and recruits.....	32
Stature of United States recruits, 1906-1915.....	36
Weight of United States recruits, 1906-1915.....	42
Chest measures of United States recruits, 1906-1915.....	44
