INDEX.

[The numbers refer to the sections of the bill.]

- Abstracts of returns of railroad corporations to be prepared by railroad commissioners, 15
- Abutments to bridges at crossings; see *Bridge*.
- ACCIDENTS, 160-164; see *Damages; Loss of Life; Penalty*.
causes of, to be investigated by railroad commissioners, 11
trains to be supplied with certain tools for use in case of, 161
notice of, to be given to engineer and to railroad commissioners, 159
statement of, to be included in annual return, 171
- Accommodation; see *Freight; Passengers; Stations*.
- Accounts of railroad corporations to be kept, so that the prescribed returns may be made, 171
- Adverse possession, not to run against railroad corporation, 167
- Agents of railroad corporations, their neglect, carelessness, &c., 18, 147, 161, 168
in negotiation or sale of bonds, 52
to open and close gates at crossings, 126, 127
- Agreements for transportation; see *Lease*.
- Aldermen; see *Mayor and Aldermen and Selectmen*.
in Boston, Board of, powers of county commissioners, 6
- Alteration at crossings; see *Crossings*.
or variation of location; see *Location*.
or amendment of law, right of, reserved, 178
- Animals on track, 161, 163
transportation of, 143
- Annual meeting of railroad corporation, 40
report of railroad commissioners; see *Railroad Commissioners*.
returns of railroad corporations; see *Returns*.
- Application for damages for taking land; see *Land*.
- Articles of association, 19
- Assessment of damages by a jury; see *Land*.
of annual expenses of railroad commissioners, 18
on shares of capital stock, 45
- Association, articles of, 19
- Attorney-general, railroad commissioners to notify him of violation of law, 8
to proceed on abandonment of station, 116
- Auction, sale of shares by, when subscriber neglects to pay assessment, 45
when capital is increased, 46
- Baggage, checks to be given for, 156
- Barriers to prevent the entrance of cattle, 64
- Bars at crossings of highways, 126
at openings in fences, 64
at private ways, penalty for neglect to secure, 165
- Beast upon the track, 161, 162
- Bed of road, width of, 88
- Being, walking or, on a railroad, contrary to law, 148, 163

- Bell to be placed on locomotive engine, 128
- Boards at crossing, 124, 125
- Bonds, issue of, by railroad corporations, 49-52
of other corporations or companies, 55-57
- Books of railroad corporation, transfer of shares to be recorded in, 44
bonds to be recorded in, 49
to be submitted for inspection, &c., 171
to be kept, so that returns may be made, *ibid.*
- Boston, city of, powers of board of aldermen and of railroad commissioners, cases arising in, 5
special provision relating to corporations whose railroads terminate in, 31, 170
- Brakes and brakemen, 130
- Branches, route of railroad may include, 27
to be constructed conformably to this act, 38
- Bridge; see *Drawbridge*.
with abutments and suitable approaches, where the railroad passes under a highway,
&c., 87
not to be constructed hereafter at a less height than eighteen feet, *ibid.*
manner, &c., of making structure to be prescribed by county commissioners, 88
to be kept in repair, 94, 95. See *Special Commission*.
- Bridge-guards to be erected and maintained, 119
- Canal or feeder to a canal, course may be changed, 93
- CAPITAL, or capital stock, limits of, in articles of association, 30
may be reduced, 21; increased, 30 (*second*), 48
towns may subscribe for and hold shares in, 24
deemed personal estate, 44
directors may from time to time make assessments on shares, 45
how shares are to be disposed of, in case of increase, 46
construction of railroad not to begin until a certain amount of, 47
penalty for unlawful increase, 177
- Cars or carriages upon railroads, lighting of, 132
to be furnished with brakes, 130
obstructing passage of, 154-157
breaking and entering, and larceny from, how punished, 158
- Cattle, carriage of, 142; on tracks, 151, 152
- Cattle-guards, 64
- CERTIFICATE of the clerk to be evidence of posting and publication, 22
of route as fixed by mayor and aldermen or selectmen, 25
of route as fixed by railroad commissioners, 25
of directors, clerk and treasurer respecting proposed railroad, 28
of railroad commissioners that requirements of law appear to have been complied
with, 29
of establishment of railroad corporation, 29
of increase or reduction of capital, or change of gauge, 30 (*second*).
setting forth amount of capital subscribed and paid in before beginning con-
struction, 47
- Changes; improvements and changes adjudged proper by railroad commissioners, information
thereof to be given to railroad corporation, 9
- Charter, formalities prescribed by law in case of petition, 23
provisions of this act to be deemed and taken as amendment, &c., 4
powers for amendment reserved, 178
- "Cheap trains," railroad corporation may make contracts for conveyance of passengers, upon
designated trains, at reduced rates, 135
- Checks to be given for baggage when requested; penalty, 136
- Children, widow and, of deceased passenger, &c., fine for their use, 163
- City; see *Town*.
- Clerk of railroad commissioners, 5; salary, 17
corporation, 21, 43

- Coal, oil made wholly or in part from, &c., not to be used, 162
- Collision at crossing of railroad with highway, &c., 184; see *Accidents*.
- Commissioners; see *County Commissioners*; *Railroad Commissioners*; *Special Commission*.
- Committee of legislature, books of railroad corporation to be open to, 171
- Commodity not extra hazardous, receipt to be given for, 181; see *Freight*.
- Commonwealth, rights of, reserved, 173-181
- Complaint and application of mayor and aldermen or selectmen, 10
- CONNECTING RAILROADS:**
- route of railroad may include connecting and terminal tracks in city or town, 27
- reasonable and equal terms and facilities of interchange to be given, 138
- merchandise to be sent according to the directions, 130
- charges for freight not to be more for shorter than for longer distance, 140
- penalty for violation of the preceding sections, 141
- when a railroad corporation enters its road upon, unites the same with, and uses the road of another corporation, the entering upon, &c., is reciprocal, 185
- in such case, each shall draw over its road the passengers, merchandise and cars of the other at reasonable rates, &c., 186
- in case of disagreement, rates, &c., to be determined by award of railroad commissioners, 187
- railroad corporations created by the laws of other states to have the same rights, &c., 166, 169
- two railroad corporations whose roads connect (unless each has a terminus in Boston), may contract that one shall perform the transportation, &c., on the road of the other, 170; see *Lease*.
- CONSTRUCTION OF railroad:**
- if spurs and branches are laid longitudinally within limits of a public way, mayor and aldermen or selectmen may impose conditions respecting, 27
- is intended in good faith, certificate setting forth that, 28
- and equipment, capital may be increased for purpose of, 30 (*second*).
- if not begun within two years, and completed within four years, powers and existence of corporation to cease, 30 (*third*), 32
- of railroads, branches and extensions, authorized by special acts to proceed conformably to this act, 33
- not to be begun until certain amount of capital, &c., 47
- when finished, map and profile, &c., to be filed, 34
- land and materials necessary for the proper, may be purchased or taken, 58, 60
- time for completing, not to be extended in consequence of variation in location, 60
- the corporation shall pay all damage occasioned by, 63; see *Land*.
- of embankments, drains, culverts, walls, fences or other structures, 61
- of fences, 60; of openings therein, with bars and gates, and cattle-guards, 64
- across another railroad at same level therewith, provision respecting, 65
- across highways, &c., not to obstruct the same, 66
- if the railroad passes under, &c., suitable bridges with abutments and approaches to be built, 67
- if highway, &c., is raised or altered, county commissioners to prescribe structures required, 68
- course of a highway, &c., may be altered to facilitate or avoid crossing, 69
- across highway, &c., at a level, county commissioners may authorize and prescribe manner of, 69
- and may order changes or additional safeguards, 61
- posts and boards to be placed at grade crossings of highways, &c., 124
- the same at travelled places, if ordered by county commissioners, 125
- county commissioners may order gates or bars to be erected at grade crossings, 126
- Contract;** see *Lease*.
- Contracts for the conveyance of passengers upon designated trains at reduced rates,** 136
- Coroner** to be notified of accident causing death, 169
- Corporation (any)** may construct railroad track for private use in the transportation of freight, 176, 178
- Steamship company,** 56

Corporation may construct street railway company, 2, 7, 8-12, 18

Telegraph company, 44

Turmpike corporation, 95; see *Railroad Corporation*.

Counties, where land owned by one person lies in different, 73

County to bear expenses of and incident to constructing and maintaining highway at a crossing, when the highway is laid out after the construction of the railroad, 85

charges of structure at a crossing may be apportioned to, by special commission, 98

COUNTY COMMISSIONERS:

location of railroad to be filed with, 68, 69

may prescribe limits within which land or materials may be taken, 60; see *Land*.

to estimate damages occasioned by laying out, &c., the railroad, 63

application to, for estimate of damages, when to be made, 64

may require security, and afterwards further security, 65

may issue warrants of distress to compel payment of damages, 67

may change location to avoid grievous damage to land-owner, 71

to order embankments, drains, culverts, fences, &c., 81

to prescribe manner of raising or lowering highway, &c., for crossing, 88

may authorize change in highway, &c., to facilitate or avoid crossing, 89

may especially authorize crossings of highway, &c., at a level, 90

may order additional safeguards at crossing at a level, 91

may lay out a highway across a railroad, or authorize a town way to be so laid out, 92

may decide in cases of interferences of railroads with turnpikes, &c., 93

may prescribe repairs in bridges or structures at crossings, 94

may decide that alteration is necessary at crossing, 96

to name member of special commission in such case, if highway is crossed, 99

to have original jurisdiction of questions touching obstructions to highways, &c., by railroads, 102

to direct place and manner of crossing in private land, 105

to decide on reasonableness of request for sign-board at travelled places, 125

may make orders for gates, bars, flagmen, &c., at crossing, 128

Coupon bonds, issue of, 49; exchange of, 50

CROSSINGS:

of railroads, highways, navigable streams and tide-waters, number in route of proposed railroad to be stated in engineer's report, 22

of one railroad with another, 85, 121, 122

of navigable streams; see *Drawbridge*, 105-115

one stop sufficient when drawbridge is between two railroad crossings at grade, 113

of highways, &c., over or under the railroad, manner of, &c., 86, 87, 88

maintenance of structures at, 94, 95

alteration of, may be decided to be necessary by county commissioners, 96

land how taken in such cases, and damages awarded, 97

may be changed by special commission, 98-101

at a level, construction, 90, 91; bell and whistle, 123, 164

posts and boards, 124, bars, gates, agent and flagman, 126

alterations of highways, &c., to facilitate or avoid, 89

authorized after construction of railroad, 92

jurisdiction with reference to, 102, 103, 128

by railroad trucks for private use, with consent of mayor, &c., or select-

-men, 170

of private ways, 104, 105, 143

of travelled place, 123, 125, 128, 129, 173

of turnpikes, 96-99, 68, 65, 162, 163, 123, 124, 126

of canals, 95. See *Damages at Crossings*.

Culverts, county commissioners to order, at time of estimating damages, 81

Cuttings, land may be taken for the purpose of, 58; see *Land*.

DAMAGES:

I. Payable by the Railroad Corporation.

to owners of land or materials taken for making or securing a railroad; see *Land*.

to city or town for failure to comply with order of county commissioners respecting alterations in highway, &c., or structures at crossing, 88

DAMAGES—CONTINUED.

- to private property, by alteration of highway, &c., to facilitate or avoid crossing, 89
 - to turnpike corporations, or to private property by altering turnpikes, &c., 98

- Disorderly persons, railroad police may arrest, 146
- Distress, warrants of, for collection of land damages, 67, 69
- Dividend of stock, unlawful, 177
- Drains, county commissioners may order at time of estimating damages, 81
- Drawbridge, 108-115
- Embankments, land may be taken for the purpose of, 68; see *Land*.
 county commissioners to order at time of estimating damages, 81
- Employés, certain, to be provided with uniform caps and badges, 184
- Engines: see *Locomotives*.
- Engineer, report of a skilful, to be prepared with reference to a proposed railroad, 23
- Engineman, duty of, in approaching a draw, 111, 118; penalty, 114
 duty of, in approaching crossing of one railroad with another at the same level, 121;
 penalty, 46d.
- guilty of negligence or carelessness, punishment, 181
- EQUIPMENT:** additions to rolling stock when reasonable and expedient, 9
 increase of capital authorized for construction and, 96 (second).
 bell and steam-whistle to be placed on each locomotive, 123
 brakes to be attached to cars, 130
 trains to be equipped with tools for use in case of accident, 181
 cars not to be lighted with naphtha, &c., 182
- Establishment, certificate of, 20; see *Formation of Railroad Corporations*.
- Estate for life or years, manner of assessing damages in case of, 75; see *Land*.
- Express companies, contracts and agreements with, 12
- Extensions of railroads to be constructed conformably to this act, 85
- FARES,** railroad corporations may establish, provided, &c., 179
 when any change is reasonable and expedient, &c., 9
 rates to be furnished to railroad commissioners, 12
 reduced rate of, upon designated trains, 136
 arrest for non-payment of, 146
 penalty for evasion of payment of, 160

- Fences**; at request of owner or occupant, land to be fenced, 70
 county commissioners to order at time of estimating damages, 61
 in certain other cases, 63
 railroad corporations to erect and maintain, 54
- Fire**, railroad corporations responsible for injury by, 106
- Fireman**, guilty of negligence or carelessness, punishment of, 161
- Fixing the route of railroads by mayor and aldermen or selectmen, 26**
 by railroad commissioners, 26; see *Location*.
- Flagman at crossings of highways, &c., on a level therewith, 124, 126**
 penalty for neglect to display his flag, 127
- Forfeiture**; see *Penalty*.
 of charter and franchise, 177
- FORMATION OF RAILROAD CORPORATIONS**:
 not less than twenty-five persons, &c., may associate with intention of forming a railroad corporation, 19
 a town or city may become an associate, 26
 articles of association to set forth name and capital of corporation; terminal, route, gauge, &c., of proposed railroad; names of directors, 20
 provisions respecting name, capital, &c., and appointment of clerk and treasurer, 21
 articles of association to be published, 22
 map, profile and report of skilful engineer to be prepared, 23
 map and report to be submitted to selectmen, &c.; hearing to be notified, 24
 route in town, &c., may be fixed by agreement with selectmen, &c., 25
 in case of disagreement with selectmen, &c., route may be fixed by railroad commissioners, 26
 route may include spurs and branches and connecting or terminal tracks, &c., 27
 articles of association, &c., and certificates of good faith, &c., to be submitted to railroad commissioners, 28
 and, with their certificate, to be filed with Secretary of the Commonwealth, who shall issue a certificate of the establishment of the railroad corporation, 29
 provisions for first meeting of such corporation; increase or reduction of its capital, or change of gauge; limitation of time, 30
- Franchise of railroad corporations, liable to forfeiture, 177**
 rights reserved to Commonwealth respecting, 178, 180, 181
- FREIGHT**, railroad corporation to give reasonable and equal terms, &c., for, 138, 140
 to promptly forward, 126, 141
 may establish rates for, 179
 when change in rates is reasonable and expedient, &c., 9
 rates to be furnished to railroad commissioners, 12
 in case of disagreement between two railroad corporations using connecting roads, 167
- Gateman**; agent stationed at crossing to open and close gates, 126
 penalty when he neglects his duty, 127
- Gates to be erected and maintained at reasonable places in fences, 84**
 at crossings of highways, &c., 126
 in drawbridges, 112, 113
 in a private way, penalty for neglecting to close, 153
- Gauge to be either 4 feet 8½ inches or 5 feet, 20**
 may be changed⁽²⁾, 30 (*second*).
 transfer of passengers and freight to and from connecting railroads of different gauges, 167
- Guaranteeing bonds of steamship corporations, 47; of other railroad corporations, 56**
- Guardian may release land damages, 74**
- Guards**; see *Bridge-guards, Carriage-guards*.
- Grade crossings**; see *Crossings*.
- Gravel**, land may be taken for the purpose of procuring 68; see *Land*.
- Grievous damage in location of railroad, proceedings for avoiding, 71**
- Gross negligence, 162-164**
- Grounds of railroad corporation, 138, 140**
- Harbor commissioners to approve manner of crossing navigable stream by proposed railroad, 23**
- HIGHWAYS**; see *Crossings*.
