To Man: The Wonderful

I can find no word
full enough of meaning
to follow your name.
O Word: God created
you to be a love, and
when you are, thought
and symbol alike are
powerless to express
you, for then it is
that you are more won-
derful than all language.

It is through your love
that woman is related
to herself, through your
love that each of you
escapes Gide's Great
Incompleteness and
through your love that
both together have
Gide's Perfect Form
of Eternal Renewal.
Anna Isabel Jennings.
