THIS Work was prepared for press during the leisure of the Long Vacation, 1888, but has been delayed in publication pending the framing and issue of the Rules of Procedure of the Railway Court. These are now included in Appendix C, and referred to in the General Index. It is hoped that the notes, cases cited, references and index, will render this edition of the Act a useful handbook to practitioners, and other persons having business or interested in proceedings, in the Court of the Railway and Canal Commission.

R. WOODFALL.
